Caitlin,

Nothing new on the 12 month finding.....My vote would be to leave it as is with the date of 12/1/2018 for a few reasons which we can discuss if needed.

Last I heard we were in a holding pattern, but I know I missed the last LPC call. Do you have any updates on the timing for a 12-month finding? Should I move out the 12-month finding beyond 12/1/18?
